# **WILSON TRUCKING CORPORATION**

## **MISSION STATEMENT**

It is the mission of Wilson Trucking Corporation to set the standard of excellence in the trucking industry by providing outstanding customer service to all of our internal and external customers.

Wilson Trucking Corporation has established specific goals. They are:

- To conduct a growing, profitable and ethical trucking operation.
- To maintain our leadership in all areas of service, methods and progress.
- To build public confidence and a continuing friendly relationship for our services through sound business practices, effective selling, and personal contacts.
- To provide good jobs, working conditions, wages and opportunities in exchange for loyalty, initiative, skill, care and effort.
- To adapt Company services, facilities and policies to meet our civic and economic responsibilities.

Wilson Trucking Corporation will foster customer loyalty by presenting a united front to achieve and surpass our customers' expectations, as well as meeting our own goal of excellence in the trucking industry.

*Serving Our Customers Since 1926*
